IGNITE WITHIN WHO YOU WERE MEANT TO BE

DAY 25: WHAT IS IMPORTANT TO YOU?

“Not important, you need to ask the right questions,” the woman says.

“Right questions? What do you mean? I was just in the Diner with my brother.” Senora wonders to herself if the woman has mistaken her for someone else.

“Don’t be silly. ‘For where your treasure is, there your heart will be also.’ Let me ask you, what do you treasure the most?”

-Treasure Kingdom

This is what starts today’s lesson. I want you to look deep within yourself. What is it that is most important to you? What in your life would you go all the way to do, no matter what? Where do you place your value?

A lot of times, I have to ask myself this on a daily basis. To maintain my focus on who I am and to silence the lies that threaten to creep in. In the last 10 days, we have focused on the lies we tell ourselves, the importance of seeking the truth, and embracing it. For the next 10 days, we will focus on drive, determination, and how your thought patterns dictate your actions.

Looking at these two thought cycles, can you notice a difference? As you face different challenges, are you learning and growing through them? Or are you allowing yourself to crumble under the pressure? As we have already established, you are more than a conqueror. You are chosen, blessed, a saint, loved, and stronger than you think. Yourself image shines through your actions and how you treat those around you. Shed the lies and embrace truth.

What you value the most in life is what you will fight for. Where do you want to be and what steps do you need to take to get there? When you focus on what is important to you, nothing else matters. You will seek what will get you there. Take this time to list what you value.

Looking back on this list, how did you determine what is important to you?

What steps can you take to move towards what is important? Looking back on your life, celebrate how far you have come. You are not the same as you were 5 years ago. You are not the same even 10 days ago. Celebrate your growth and focus on those truths of who you are and what is most important. You are God's child, adopted and worth dying for. Now that you have determined what is important, what step can you take today to get closer to that goal?

Focus on the truths that God has told you and walk in those truths daily. Cling to truth until they become reality.

You are exploring the wisdom of your soul
You are shedding old ways
And beliefs that no longer fit
Who you are becoming
Be brave, dear one
You are becoming
Your authentic self!
